

# Where is the SPIRIT calling you?

## WHO WE ARE

We are an international missionary community of catholic priests, brothers and lay people who seek to live our lives in the SPIRIT of Jesus Christ and in the service of the poor and the suffering.

## HOW WE LIVE

We live in community sharing our life and our prayer. Our community life is open to the SPIRIT alive in each one of us.

## WHAT WE DO

We seek to build up the Kingdom of God by recognising his SPIRIT present in all peoples. In particular we work among the poor and oppressed allowing ourselves to be evangelised by them. Irish Spiritans are working on all continents. In Ireland we work with asylum seekers and refugees, in parishes, in education and in ministries of healing.

## *Prayer for those who would serve*

*God alone can give faith,  
but you can be his witness.  
God alone can give hope,  
but you can give confidence to your brothers and sisters.  
God alone can give love,  
but you can teach others how to love.  
God alone can give peace,  
but you can sow the seeds of unity.  
God alone gives strength,  
but you can help the weak.  
God alone is the Way,  
but you can show it to others.  
God alone is light,  
but you can make it shine in the eyes of all.  
God alone is life,  
but you can share your desire to live.  
God alone can do the impossible,  
but you can do all that is possible.  
God alone is enough,  
but he prefers to count on your help.*
